Fruitera Color-Select Multi-Light Pendant

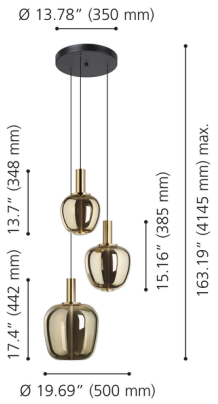

By Eglo

Description

The Fruitera Color-Select Multi-Light Pendant creates a refined focal point with three gold smoked glass shades in different sizes suspended at staggered heights from a black canopy. When off, the glass appears smooth and mirror-like. Once illuminated, hidden internal acrylic diffusers softly reveal a glowing inner core, transforming the look with layered depth and warmth. With adjustable hanging heights and integrated 3CCT LED technology(3000K, 4000K, 5000K), this 19-inch round staircase pendant offers customizable illumination for dining areas, entryways, or open living spaces.
