Ascoli Outdoor Wall Light

By Eglo

Description

The Ascoli Outdoor Wall Light makes a confident statement with its bold 18-inch cylindrical profile and dual-light design. Finished in resilient black, it accommodates two PAR38 light sources to cast both upward and downward illumination, creating a striking column of light that adds depth and dimension to exterior surfaces. The clean, uninterrupted lines emphasize its modern character, while the durable, weather-resistant construction ensures reliable performance in outdoor environments. Ideal for large-scale facades, grand entryways, or contemporary commercial settings, Ascoli delivers a balanced combination of visual impact and everyday functionality.
