Elisse Rectangular LED Mirror

By Et2

Description

The Elisse Rectangular LED Mirror blends sleek minimalism with technological innovation. An integrated LED channel wraps with inner edge of the frame, set along the mirror. To diffuse the light and help it blend in, a white acrylic diffuser is paired with the gold frame and a black acrylic diffuser is paired with the black frame. A touch dimmer located along bottom edge of frame allows for easy adjustments. Install horizontally or vertically.

Shown in satin nickel / mirror
