Giova Table Lamp By Fontana Arte

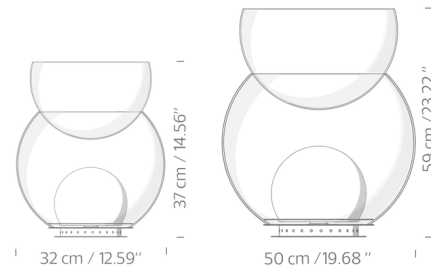

Description

Half vase, half lamp, Giova Table Lamp blends the two functions in this sleek work of art. A translucent bowl is positioned on a metal base and houses the frosted light source. Set above is a smaller bowl in blown pulegoso glass, meaning with irregular bubbles, which serves as a simple vase. Fill with a floral arrangement, greenery, or leave it empty to display the stunning glasswork.

Shown in gold / gray
