Caboche Plus Floor Lamp By Foscarini

Description

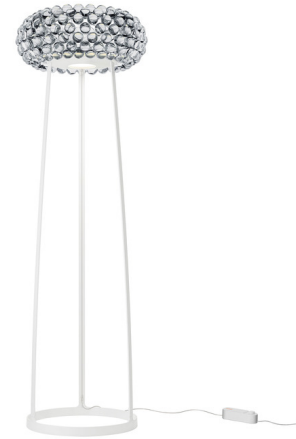

A genuine design gem, sparkling and precious like a bracelet, it has a metal base with a circular design that reflects the shape of the diffuser. Redesigned with new arches, a new twist-lock attachment system and new spheres, beside a new LED board. When switched on, light is diffused from inside the spheres, creating an upward and downward lighting effect as well as spreading light around the room. Dimmer switch on cord.
