Geode Color-Select Outdoor Wall Light By Golden Lighting

Description

The Golden Lighting Geode Integrated LED Outdoor Wall Light delivers bold vertical presence and refined modern style for exterior spaces. Designed with vertically stacked fluted striped glass shades and a clean-lined steel frame, this fixture creates a striking architectural statement while diffusing light softly for a welcoming glow. The elongated form enhances curb appeal and provides functional illumination for entryways, patios, and garage doors. This outdoor wall light is wet-location rated to withstand rain, snow, and direct exposure to the elements. Integrated LED technology allows you to choose between 3000K, 4000K, or 5000K color temperatures to suit your exterior environment.
