Aalto Pendant

By Golden Lighting

Description

The Golden Lighting Aalto Pendant highlights the natural beauty of wood through a sculptural, tiered silhouette crafted from rich dark walnut veneer. Multiple curved layers are stacked to create depth and dimension while softly shaping the light below. The warm walnut tones and flowing grain patterns introduce organic texture, while the clean suspension keeps the design refined and contemporary. Finished in Dark Walnut with a smooth satin luster, this compact pendant adds warmth and visual interest without overwhelming the space. This pendant is ideal for kitchens, dining areas, bedrooms, and decorative accent lighting.
