Aalto Two-Tone Pendant

By Golden Lighting

Description

The Golden Lighting Aalto Pendant offers a modern organic statement through its sculptural, tiered wood veneer construction. Curved layers of light and dark walnut are combined to create visual contrast, depth, and texture while softly shaping the light below. The interplay between the pale matte light walnut and the rich satin-finished dark walnut highlights the natural grain patterns and adds dimension to the silhouette. Clean suspension hardware keeps the look refined and contemporary, allowing the layered wood design to take center stage. This pendant is ideal for kitchens, dining areas, bedrooms, and entryways.

Shown in walnut / light walnut
