Cambria Chandelier

By Golden Lighting

Description

The Cambria 6-Light Chandelier by Yep by Golden Lighting brings timeless elegance and modern sophistication together in a refined statement fixture. Gracefully arched arms and balanced proportions reinterpret a classic chandelier silhouette, while fabric shades introduce bold contrast and tailored refinement. The structured shades maintain crisp lines and gently diffuse light to create a controlled, atmospheric glow with depth and visual interest, making this luxury chandelier an ideal centerpiece for dining rooms, foyers, bedrooms, and living spaces. Designed for flexibility, it is sloped-ceiling compatible with an adjustable hanging height from 16.5 inch to 31.38 inch, and is dry-location rated for interior spaces where classic style meets modern contrast.
