Tynell 1967 Pendant

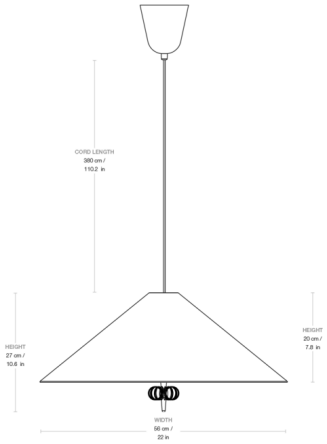

By Gubi

Description

With its refined lines and elegant details, the Tynell 1967 Pendant is a classic fixture that helped solidify Paavo Tynell's place as one of the leading designers of the mid-20th century. The 1967 Pendant emits warm, ambient lighting through its conical canvas shade. A fabric diffuser over the bottom of the pendant obscures the light source to reduce glare and adds to the cozy atmosphere. A brass detail beneath the shade adds an elegant touch to complete the look.
