Gubi x Garro Editions Tynell 9602 Floor Lamp By Gubi

Description

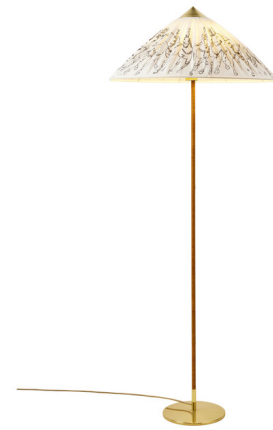

The Gubi x Garro Editions Tynell 9602 Floor Lamp is a special edition of Paavo Tynell's iconic 1935 design. Tynell offers a playful design providing ambient light with a shallow conical shade set atop a slim stem. The lamp's stem is wrapped with lacquered rattan for a warm, earthy texture characteristic of Tynell's designs. In collaboration with Garro Editions, this version of the 9602 Floor Lamp is topped with a pleated linen shade printed with English artist Henry Moore's drawing 'Haringey Circus Horses'. Originally created in 1956 as a spontaneous pen and ink sketch, Moore's work was selected by Garro Editions founder Heloise Garro due to its bold, dynamic expression. The drawing's fluid lines and Tynell's sleek geometry create a striking contrast that elevates both the drawing and the lamp. On/off switch located on stem.
