P3S Chaise Longue

By Gubi

Description

Originally designed in 1964 by Tito Agnoli for furniture company Bonancina 1889, the P3S Chaise Longue is an icon of Italian mid-century design. Gubi, working in close collaboration with Bonancina 1889, has now re-issued this classic piece for the modern day. The P3S Chaise Longue is made of handwoven rattan strips fixed to an angular steel frame in a beautiful showcase of the material's natural warmth and texture. While the rattan construction is a nod to P3S's mid-century roots, its sculptural, modern silhouette feels at home in contemporary spaces as well.
