## P3S Outdoor Chaise Longue By Gubi

### Description

Originally designed in 1964 by Tito Agnoli for furniture company Bonancina 1889, the P3 Chaise Longue is an icon of Italian mid-century design. Gubi, working in close collaboration with Bonancina 1889, has now re-issued this classic piece for outdoor use. The P3S Outdoor Chaise Longue is made of high density polyethylene strips fixed to an angular steel frame to recall the look of the original's handwoven rattan construction with added durability and weather resistance. While this look is a nod to P3's mid-century roots, its sculptural, modern silhouette feels at home in contemporary spaces as well.
