Zurich Color-Select Outdoor Wall Sconce By Justice Design

Description

The Zurich Outdoor Wall Sconce is a bold architectural linear fixture with strong geometric presence. Distinct layered construction creates shadow play and visual interest from multiple angles; Slim, wall-hugging profile maintains a clean look while meeting ADA requirements. Can be installed with the linear arm oriented upward or downward for added design flexibility; Indirect illumination softly washes the recessed inner surface for depth and warmth. Built-in 5CCT 2700K, 3000K, 3500K, 4000K, 5000K selectable technology allows adjustment of color temperature to suit different environments.

Shown in matte black

Specifications

COLOR	N/A
