PH 1/1 Chandelier Centenary Edition By Louis Poulsen

Description

Part of Poul Henningsen's reflective PH collection originally developed in 1926, the PH 1/1 Chandelier was a part of Louis Poulsen's catalog from 1933 to the mid-1960s. Featuring the iconic tiered round shades of the PH collection in Dusty Terracotta glass, the PH 1/1 Chandelier features a curving arm to support each light source. In honor of the PH collection's 100th anniversary, the PH 1/1 Chandelier has been re-released in this special edition. Each fixture is engraved with a unique number to commemorate this historical run.
