## Bower Wall Sconce By Maxim Lighting

### Description

The Bower Wall Sconce draws inspiration from nature's winged architects; its softly curved natural rattan echo the woven beauty of birds' nests. Light filters warmly through the organic shade, framed by refined Natural Aged Brass metalwork. Bower balances natural texture with graceful structure, bringing elevated biophilic warmth to both casual and curated spaces. Triac or ELV dimming.

Shown in natural aged brass / rattan

### Specifications

|                   |                                      |
