Vaportight Color-Select Ceiling Light w/EM Battery By Maxim Lighting

Description

The Vapor Tight light fixture is constructed for any environment. Not just CCT Selectable, this model features a wattage selectable switch allowing you to control the brightness of a space and its electrical usage. Ideal for commercial and industrial applications such as garage facilities and stairwells, this product is both vandal proof and constructed for installation in harsher climates. Features color-select technology which allows user to select between 3000K, 3500K, 4000K, and 5000K color temperature options.
