Dunbridge Wall Sconce By Maxim Lighting

Description

Inspired by beloved silhouettes that first defined the Kismet House aesthetic, this collection returns with greater presence and refined intention. A more substantial frame anchors the design, while larger-scale fabric shades introduce softness, depth, and dramatic proportion. The result feels both familiar and renewed, where tailored structure meets expressive materiality. Triac or ELV dimming. Note: Not all options are available.

Shown in polished nickel / off white linen
