Dunbridge Wall Sconce By Maxim Lighting

Description

Inspired by beloved silhouettes that first defined the Kismet House aesthetic, the Dunbridge Wall Sconce features rich presence and refined intention. A substantial frame anchors the design, while larger-scale fabric shades introduce softness, depth, and dramatic proportion. The result feels both familiar and renewed, where tailored structure meets expressive materiality. Note: Not all options are available. Note: Install as a hardwired sconce or plug-in sconce.

Shown in antique bronze / olive white
