Perimeter Color-Select Frontlit LED Project Mirror By Maxim Lighting

Description

Elevate your space with the sophisticated glow of an LED perimeter-lit mirror. Framed with even, glare-free illumination, this mirror offers a modern yet functional touch for grooming, task lighting, or enhancing ambiance. It features a French cleat hanging system for easy installation and accessibility. Designed for both residential and commercial applications, the Reflect mirror seamlessly blends contemporary style with customizable lighting performance. Features color-select technology which allows user to select between 2700K, 3000K, 3500K, 4000K, and 5000K color temperature options.
