Silo Slim Table Lamp

By Roll & Hill

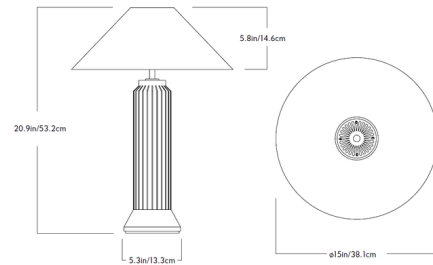

Description

Christopher Merchant's Slim Silo Table Lamp explores the balance between structure and organic form. Repeating vertical ridges along the ceramic base create a sense of geometric order, with subtle variations in contour and glaze that give the lamp a natural, fluid character. A matching A-line shade provides a complementing touch. A dimmer switch is located on the cord. Please Note: Subtle variations in glaze and shape are to be expected.

Shown in forest green ceramic

Specifications
