Sahara Rug

By Toulemonde Bochart

Description

The Sahara Rug is an exploration of material in motion. In a tone-on-tone faux-solid, this rug plays with soft reliefs and shifting light, evoking the ripples of sand, mineral warmth, and the poetic atmosphere of desert landscapes. Entirely hand-tufted, blending wool with touches of viscose to bring the surface to life, Sahara is a demonstration of exquisite craftsmanship. Available in sand or white, it asserts its quiet presence with effortless elegance.
