Arid Wall Sconce

By Bover

Description

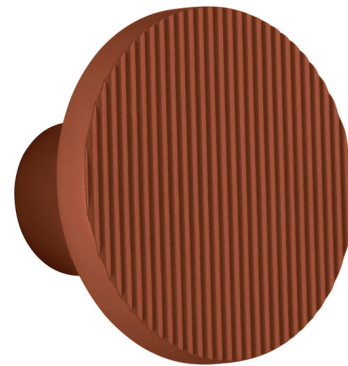

The Arid Wall Sconce is the heart of a modular system that aims to enhance the aesthetics of any interior with inspiration from the beauty and serenity of natural environments. The round sconce features a ridged texture to heighten visible interest. The LED light source is available in 2 color select options: a warm 2700/ 2400/2200K white or a cooler 4000/3500/3000K white. Combine the Wall Sconce with other pieces from the Arid collection to create custom configurations. Note: Includes 4.7 inch backplate to cover standard US junction box (not pictured).
