Arlin Tall Table Lamp

By Hudson Valley Lighting

Description

The Arlin Tall Table Lamp pairs sculptural form with rich texture. Patterned metal bases feature a swirling motif that wraps each vessel shape. A tapered off-white linen shade softens the look while echoing the lamps' curves, and Patina Brass hardware completes the design. On/off switch on socket. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in bronze patina / off white

Specifications
