Bayberry Semi Flush Ceiling Light

By Hudson Valley Lighting

DAMP

Description

The sprawling Bayberry Semi Flush Ceiling Light leans into the modern-organic design trend. Finished in Vintage Gold Leaf, the branch-like arms splay off in different directions to uniformly distribute the shallow glass shades at close-to-ceiling range. The soft curves of the metalwork and its joints are complemented by the scalloped contour of the cloud glass shades.

Shown in vintage gold leaf / cloud
