# Bruceville Pendant

By Hudson Valley Lighting

## Description

The Bruceville Pendant distills a traditional lantern design into a simplified silhouette. A pronounced, chimney-like canopy anchors the design with a slotted gallery that introduces visual interest. From the metalwork to the opal glossy glass shade, the design flows as it tapers in and flares out. The pendant's distinctive chain linkage adds a nautical note, echoed by the Heritage Bronze finish.

Shown in historic bronze / opal glossy
