Dumont Table Lamp

By Hudson Valley Lighting

Description

Sculptural and statement-making, the Dumont table lamp emphasizes its softly stacked voluminous curves with a vibrant, pigmented glaze. The glossy base is made more dimensional by its reflectivity, which amplifies the spread of light. An elongated and tapered boucle shade provides additional texture, while concealed Aged Brass hardware completes the lamp. Full range dimmer on socket.Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
