Fosterdale Bathroom Vanity Light

By Hudson Valley Lighting

DAMP

Description

The Fosterdale Bathroom Vanity Light draws on an anthropomorphic design language reminiscent of Elsa Peretti. Stacked clear piastra glass shades curve into the wall like ice melting around the light source. A slender cylindrical tube finished in Aged Brass secures the glass at the center while shielding the candelabra bulbs from direct view. Thoughtfully scaled for bath and powder rooms, Fosterdale can be oriented vertically or horizontally as needed.
