Jefferson Heights Table Lamp

By Hudson Valley Lighting

Description

Inspired by Biedermeier candlesticks, the Jefferson Heights Table Lamp introduces a playful rhythm to transitional interiors through sculptural turned wood. Slender saucers alternate with rounded spheres to form the totemic oak base. Both the table and floor lamps are paired with wheat linen drum shades that harmonize with the organic character of the wood. Aged Brass-finished hardware completes these artful lamps. Full range dimmer on socket. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
