Livonia Chandelier

By Hudson Valley Lighting

Description

The Livonia Chandelier reimagines a classic inchbunch of grapes inch silhouette with a fresh, nature-inspired design. Delicate, pod-like shades gather in a relaxed arrangement that emits multidirectional illumination. Constructed of handcrafted paper, the forms are defined by a subtle ribbing that adds a level of tactility. The metal stem is finished in a Vintage Gold Leaf and covered with jute cord, extending the fixture's natural narrative. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
