Southfields Semi Flush Ceiling Light

By Hudson Valley Lighting

DAMP

Description

An earthy ceramic lighting family, the Southfields Semi Flush Ceiling Light is distinguished by its handcrafted details and thoughtful material contrasts. Finished in a Cream Pebble glaze, the textural surface introduces a natural warmth to the design. Strips of rattan are woven through the edge perforations, forming a natural decorative border that celebrates the hand of the artisan. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in aged brass / cream
