West Hill Pendant

By Hudson Valley Lighting

DAMP

Description

West Hill is an essential kitchen pendant that celebrates the beauty of natural materials. A decorative cream Emperador marble cylinder is encased within a clear glass cone, defining the pendant's silhouette while guiding light downward. Finished with a Patina Brass stem, West Hill creates an understated focal point suitable for kitchens, dining spaces, and countertop installations. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
