Element Round Multi-Light Pendant

By Accord Iluminacao

Description

The Element Round Multi-Light Pendant brings understated farmhouse charm to your interior space. Each shade is crafted with wood veneer panels riveted together to form a classic drum shaped frame, it blends rustic warmth with subtle industrial style. An acrylic diffuser at the base softens the light, while the cutouts on top create a warm, inviting glow while casting gentle shadows throughout your room. Adjust each Pendant to create your own unique look.
