Zephyr Linear Pendant By Artemide

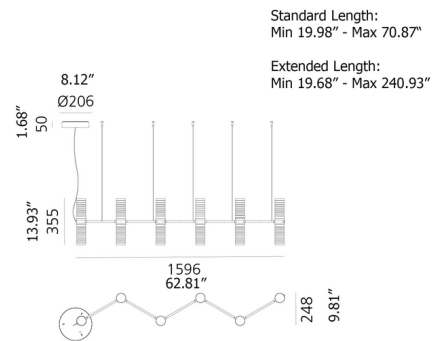

Description

The Zephyr Linear Chandelier is a minimalist, elegant take on a traditional candle chandelier. Placed along a zig-zag bar, handblown cylindrical glass diffusers stand in for a set of classic candles. When illuminated by their integrated LED module, the light highlights the opaline diffusing stripes in with an upward and downward glow. This linear piece is perfect for a kitchen or dining room. Standard Length: Min 19.98 inch - Max 70.87 inch Extended Length: Min 19.68 inch - Max 240.93 inch
