## Aro Color-Select Linear Chandelier By Generation Lighting

### Description

The Aro Color-Select Linear Chandelier presents a sleek, modern interpretation of minimal lighting. Its low-profile metal frame casts soft up-and-down light through a smooth silicone diffuser, creating balanced illumination with an architectural edge. Each fixture features selectable color temperature (2700K/3000K/3500K/4000K/5000K) for adaptable use across residential and commercial spaces. Designed for kitchen islands, dining tables, or office spaces, the integrated silicone diffuser delivers soft, uniform illumination along its full length.
