Drae Task Wall Sconce

By Generation Lighting

Description

The transitional Drae Task Wall Sconce is designed for flexibility and ease of use. The adjustable arm and metal shade allow for precise light direction, while a turn-knob on the backplate provides simple on/off control. A plug-in cord offers installation versatility, making it a practical solution for bedrooms, home offices, or reading corners. Swing arm can swing left and right with 156 degree total range. Shade can tilt upward or downward 180 degree total range.

Shown in satin brass
