Lakemont Outdoor Color-Select Wall Light By Generation Lighting

Description

Defined by a bold, faceted silhouette, the Lakemont Outdoor Color-Select Wall Light brings a sculptural presence to exterior spaces. Its sleek linear frame is paired with a thick frosted acrylic light guide that diffuses illumination with smooth, even glow. Equipped with selectable CCT technology (2700K/3000K/3500K/4000K/5000K), it allows for customizable light tone, from warm and inviting to crisp and contemporary. Ideal for entryways, patios, and exterior walls. Can be mounted horizontally or vertically.

Shown in textured black / frosted white
