## Weston Color-Select Bathroom Vanity Light By Generation Lighting

### Description

The Weston Color-Select Bathroom Vanity Light combines linear symmetry with material depth, featuring a ribbed glass lens framed by a full-length metal backplate. Dedicated LED technology delivers efficient, ambient light while the textured diffuser enhances clarity and softens glare. Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K/5000K. Suitable for vertical or horizontal mounting in bathrooms and powder rooms where diffused illumination and visual structure are required.

Shown in brushed nickel / transparent
