Stretch Ceiling Light

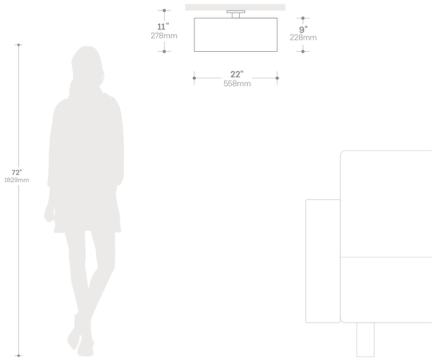

By Nova of California

Description

The Stretch Flush Mount is a modern ceiling light designed by the NOVA Design Team in 2026. This elegant fixture features a sleek steel body, complemented by a linen drum shade. Perfect for modern living spaces, this flush mount sits close to the ceiling, making it ideal for rooms with low ceilings or areas where a minimal profile is desired. Its handcrafted design ensures each piece is unique, while the contract-grade materials guarantee durability and longevity. Backed by NOVA's century-long commitment to quality, this flush mount is a testament to our heritage craftsmanship meeting modern living. Equipped with a built-in dimmer, the Stretch Flush Mount allows for adjustable lighting to suit any mood or occasion. Note: Not all options are available
