Luna Bella Flush Mount

By Nova of California

Description

Satin nickel paired with a steel base defines the Luna Bella, a modern flush mount designed by the NOVA Design Team. This 2026 design features a sleek and understated silhouette that seamlessly integrates into any contemporary setting. Its half dome shade provides a soft diffusion of light, making it ideal for enhancing the ambiance of your hallway, dining room, or entryway. Crafted with precision, the Luna Bella combines the elegance of fabric and metal to create a refined aesthetic that is both functional and visually appealing. Backed by NOVA's century-long commitment to quality, this fixture is a lasting investment in design and light. The Luna Bella flush mount offers a dimmable feature, allowing you to adjust the lighting atmosphere to suit any occasion.

Shown in satin nickel / white
