Luna Bella LED Pendant

By Nova of California

Description

The Luna Bella Pendant is a modern lighting fixture designed by the NOVA Design Team in 2026. This pendant light combines a sleek finish with a handcrafted half dome shade, making it an elegant addition to any contemporary space. Ideal for areas like the dining room, kitchen island, or entryway, it brings a sophisticated touch with its precision elegance and minimalist modern sensibility. The pendant's design features an ultra-slim suspension and compact canopy, allowing it to blend seamlessly into various home styles while providing a calculated aesthetic. Equipped with a dimmable feature, the Luna Bella Pendant allows for customizable lighting atmospheres, perfect for creating the desired ambiance in any room.
