Aero Color-Select LED Mirror

By Quorum

Description

Elevate your bathroom experience with the Aero's soft corner design and sophisticated finish options. The LED Mirror can be a functional addition to your daily routine. Its ambient backlighting and dimmable feature create the perfect atmosphere with a simple click of a button. Adjust the Kelvin temperature to any setting between 2700K and 6500K for desired atmospheric lighting. Blend style and functionality with the elegant glow of the Aero.
