Eterno Color-Select Mirror

By Quorum

Description

The Eterno Family is designed to elevate your daily routine and add a contemporary twist to the classic round-lighted mirror. Adjustable LED lighting allows you to select color temperatures from 2700K to 6500K and fine-tune brightness with dimming capabilities. Wide diffusers and ambient backlighting provide consistent illumination, while the integrated defogger always keeps the mirror fog-free. With a balanced blend of form and function, the Eterno series enhances any modern bathroom.
