Luna Color-Select Pendant

By Quorum

DAMP

Description

The Luna series of minimalist pendants provides a staple lighting solution with its straightforward design and sleek contours. A petite round canopy secures a slim cord that supports a classic matte white globe diffuser, and an optional shade is included for additional versatility. Display in multiples of the same size or mix and match for an effortlessly whimsical look. Add the Luna pendant to your next project and catapult your space into a supremely contemporary realm of design. Features color-select technology which allows user to select between 2700K, 3000K, 4000K, 5000K, and 6500K color temperature options.
