Italic Sideboard

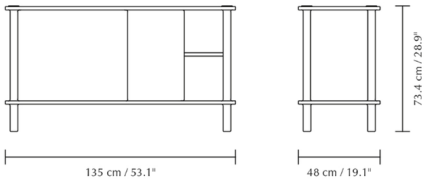

By Umage

Description

Drawing inspiration from production techniques, materials, and everyday objects, the Italic Sideboard is a testament to the art of simplicity. The focal point of this elegant piece lies in its subtle rounded corners, forming the foundation of its structure. With meticulous attention to detail, the cabinet is crafted from solid and veneered wood, ensuring durability and longevity. The wooden doors have two sides: One side with a diagonal veneered panel for a unique look and one side with vertical veneer for a timeless appeal. The Italic sideboard is the perfect embodiment of minimalistic elegance and functionality, and its unique design elements make it a statement piece that will transform any interior space.
