Pod Smart Ceiling Fan By Visual Comfort Fan

Description

Peter Bristol's Pod Smart Ceiling Fan centers its design around a rounded aluminum body, offering both visual clarity and structural integrity. Three subtly tapered blades radiate outward in a balanced formation, generating quiet, efficient airflow. Pod integrates cleanly into a range of spaces, from minimalist interiors to midcentury-inspired rooms. Its smart-enabled operation adds discreet functionality to its understated form. Includes handheld/wall-mountable remote control.

Shown in burnished brass / washed white oak / washed white oak
