Knox Large Wall Sconce

By Visual Comfort Signature

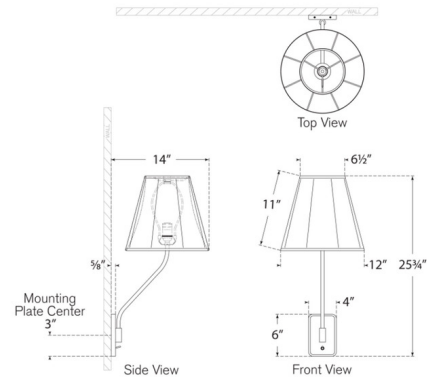

Description

The Knox Large Wall Sconce, inspired by vintage Swedish lighting, pairs traditional elegance with a light, graceful presence. Thoughtfully crafted with subtle turned details, and notched accents, it brings depth and artistry to its refined silhouette. A softly arched arm creates a balanced sense of proportion, while the delicately pleated silk shade completes the fixture with an elevated, sculptural presence. On/Off toggle switch is located on the backplate. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.
