Knox Double Wall Sconce

By Visual Comfort Signature

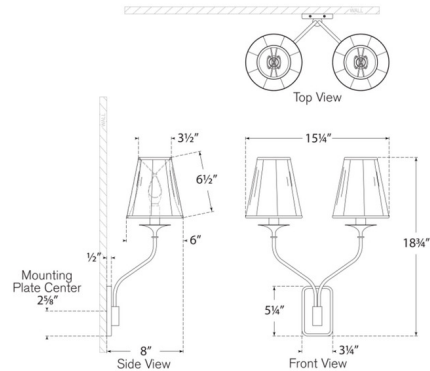

Description

The Knox Wall Sconce, inspired by vintage Swedish lighting, pairs traditional elegance with a light, graceful presence. Thoughtfully crafted with subtle turned details, notched accents, and delicate bobeches, it brings depth and artistry to its refined silhouette. Softly arched arms create a balanced sense of proportion, while delicately pleated silk shades complete the fixture with an elevated, sculptural presence. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.
