Ovid Cordless Table Lamp

By Visual Comfort Signature

Description

The Ovid Cordless Table Lamp draws inspiration from early 20th-century Austrian design, reimagining Art Deco ornamentation with a contemporary sensibility. Blending timeless elegance with understated sophistication, it features a graceful fluted silhouette and a finely detailed gadrooned base. Finished in a rich patina, and crowned with a tall pleated silk shade. Remove cordless light module from lamp and charge using provided USB-C cord. Touch dimmer is on the light module to adjust between high, medium, and low settings. Includes a USB-C to USB-A adapter and charging plug. For best results, fully charge the battery before using. Note: Additional accessories of a remote controlled light module and a remote control are available, and sold separately below, to control your light remotely.
