Devon Chandelier

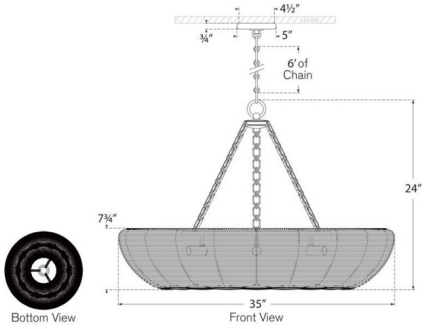

By Visual Comfort Signature

Description

The Devon Chandelier brings sculptural elegance to your interior space with its striking open ring silhouette and delicately suspended link chain. Blending organic craftsmanship with an airy architectural form, the design draws inspiration from traditional weaving techniques and the timeless rattan-and-brass pairings of the 1970s. Its open weave softly diffuses light, creating a warm and inviting atmosphere throughout your room. Note: Rattan is a natural material, variations in color and tones make each piece unique.
